

# Summer School for Looked After Children & Young Care Leavers

5<sup>th</sup> - 7<sup>th</sup> July 2010

## get a taste of uni life

Aimhigher, working with Catch22 and Medway Multi Integrated Looked After Care Leavers Team (MILAC), is holding a taster event specifically for looked after children and young care leavers.

During the three-day taster event you will get to experience a little bit of university life - spending time at workshops, taking part in debates, developing personal skills, meeting new friends and graduating.

**Some of the subjects to be covered include:  
Health & Social Care, Creative Arts, DNA,  
Psychology, Sports Science and Business.**

Each day will begin at 10.00am & finish at 4.00pm.

We can provide help with transport to and from the event and accommodation if required

Lunch & refreshments will be provided.

Even if you are not thinking about going to university, still come along and have fun!
